March 15th, 2024

Dear Team,

This letter confirms my interest in becoming a part of the Student Government. The position I am interested in applying for is The Student Vice-President: Equity, Diversity, and Inclusion. I am well-suited for this role and have a great passion for leadership and a commitment to bringing positive change to the community.

I desire to actively participate in college activities, which fuels my interest in becoming a Student Government Board Member. I believe that the Student Government body can bring about good changes and encourage participation and curiosity among peers. As Vice President, I aim to help international students, students with disabilities, and other groups open up to their mates and talk freely about their problems, so I can work towards a solution. There are many challenges to such groups when they first come to college, and I will be able to help them acclimate to the college practices and activities.

Being involved with student government, I can put my decision-making, communication, conflict resolution, and leadership skills into practice and even enhance them further. During high school, I volunteered to assist our student counselor, providing invaluable support to students both in their professional and personal lives. I have closely monitored the work of a professional counselor and, after some training, even counseled some of the students to find a solution to their queries. Through these experiences, I have developed a deep understanding of student's challenges and the appropriate code of action to address those challenges. I fully understand the importance of the mental health of students, and I want to bring a positive change so that students can study and take part in college activities with a free conscience.

Thank you for considering my application. I am eager to bring my skills, experiences, and passion to this role, and I look forward to the opportunity to contribute to the continued success of the Loyalist College.

Sincerely,

Madhav Sharma
