## RE: LETTER OF INTENTION

Dear Madhavi,

I am writing to express my intention to contest for the position of Board of Governor in the upcoming college elections. As a dedicated and passionate individual with a strong background in leadership roles within educational institutions, I possess the qualities necessary to effectively serve as a representative on the Board of Governor.

I am currently studying Paralegal studies at Loyalist college. Throughout my academic journey, I have actively pursued my interests in reading, philosophy, international politics, and law. These interests have not only enriched my academic experience but have also equipped me with a broad understanding of various socio-political issues that impact our educational system and the broader community.

My previous leadership experiences, notably as the Justice Studies leader at Loyalist College and as Vice President of the Student Council at Satpura Law College, have provided me with invaluable insights into effective governance, decision-making processes, and the importance of representing the diverse needs and perspectives of students and faculty.

If elected to the position of Board of Governor, I am committed to advocating for policies and initiatives that promote academic excellence, student welfare, and institutional transparency. I aim to foster a collaborative environment that encourages open communication, active engagement, and inclusivity across all levels of the college community.

Furthermore, I am eager to contribute my skills, knowledge, and dedication to the continuous improvement and advancement of Loyalist College, ensuring that it remains a beacon of academic excellence and innovation.

Thank you for considering my candidacy. I am confident that, if given the opportunity, I will serve with integrity, diligence, and a steadfast commitment to the best interests of our college community.

Yours sincerely,

Vanshika Sahu
